Board of Elders New Life Church and Affiliates Colorado Springs, Colorado

We have audited the accompanying consolidated financial statements of New Life Church and Affiliates, which comprise the consolidated statements of financial position as of December 31, 2017 and 2016, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### 1. NATURE OF ORGANIZATIONS:

New Life Church (NLC) is an independent, nondenominational, charismatic church founded in 1985. NLC is operated as a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC), and comparable state laws. However, NLC is subject to federal income tax on any unrelated business taxable income. NLC is not a private foundation under Section 509(c) of the IRC. The mission of NLC is to make disciples for Jesus Christ. NLC conducts services in various congregational locations in and around Colorado Springs, Colorado. NLC's primary source of revenue is from contributions.

The Dream Centers of Colorado Springs (Dream Centers) was incorporated in 2011, to provide health and hope for people in Colorado Springs who are working to rebuild their dreams. Dream Centers is operated as a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the IRC, and comparable state laws. However, Dream Centers is subject to federal income tax on any unrelated business taxable income. Dream Centers is not a private foundation under Section 509(c) of the IRC. NLC controls Dream Centers through economic dependence, board control, and is the sole member of the corporation.

As of January 1, 2017 Iglesia Nueva Vida (INV), a separate nonprofit organization, merged with NLC and contributed its net assets to NLC and now functions as a NLC congregation with all of its activity reflected in NLC's financial statements. INV essentially has no activity or balances in the existing legal entity. NLC controls INV through economic dependence and board control.

NLC, Dream Centers, and INV are referred to collectively as the Church.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Church maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the consolidated financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

#### PRINCIPLES OF CONSOLIDATION

The accompanying consolidated financial statements include the accounts of NLC, Dream Centers, and INV. All significant intercompany transactions have been eliminated in consolidation.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

## CASH AND CASH EQUIVALENTS

For purposes of the consolidated statements of cash flows, cash and cash equivalents are defined as actual currency, demand deposits, and highly liquid investments with original maturities of three months or less. As of December 31, 2017 and 2016, amounts exceeding the federally insured limits were approximately \$1,540,000 and \$1,740,000, respectively. The Church has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk.

### LAND, BUILDINGS, AND EQUIPMENT-NET

Items capitalized as land, buildings, and equipment are recorded at cost. Donated items are recorded at their fair market value on the date of the gift. Depreciation is computed on the straight-line method over the estimated useful lives (currently 5 - 30 years) of the related assets. The Church capitalizes fixed asset purchases exceeding \$1,000 with lesser amounts expensed in the year purchased.

#### **CLASSES OF NET ASSETS**

The consolidated financial statements report amounts separately by class of net assets as follows:

*Unrestricted net assets* are those currently available at the discretion of the board for use in the Church's operations and those resources invested in land, buildings, and equipment.

Temporarily restricted net assets are restricted by donors for specific operating purposes, or until time restrictions have been met. They are not currently available for use in the Church's activities until restrictions regarding their use have been fulfilled.

### SUPPORT, REVENUE AND EXPENSES

Contributions are recorded when made, which may be when cash or other assets are received or unconditionally promised. Those contributions postmarked by December 31 are recorded as contributions and cash and cash equivalents rather than promises to give during the respective year. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions. The Church reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Church reports expirations of donor restrictions when the donated long-lived assets are placed in service.

#### 5. LINE OF CREDIT:

The Church was issued an unsecured line of credit from a bank in the amount of \$250,000 during the year ended December 31, 2012. The line of credit was renewed during the year ended December 31, 2017 and matures July 2018. There were no funds drawn against this line of credit during the years ended December 31, 2017 and 2016.

### 6. INTEREST RATE SWAP AGREEMENT:

The Church has one derivative agreement, known as an interest rate swap, as of December 31, 2017 and 2016. In substance, this agreement exchanges the variable rate terms contained in the underlying loan agreement for a fixed rate of interest contracted with the financial institution.

Under the swap agreement in place as of December 31, 2017 and 2016, the Church pays a fixed rate of 4.0% instead of a variable rate of 1.55% above LIBOR, effectively 2.04% and 2.32% as of December 31, 2017 and 2016, respectively. The original note payable balance covered by the agreement is \$9,917,832, and the aggregate notional amount of the swap agreement was \$9,639,059 and \$9,917,832 as of December 31, 2017 and 2016, respectively. The notional amount declines monthly as principal and interest payments are made on the note payable. As of December 31, 2017 and 2016, the interest rate swap had a fair value of \$(142,433) and \$(237,944), respectively. A liability is recorded in the consolidated statements of financial position as interest rate swap agreement liability.

The change in the fair value of the swap agreement of \$95,511 and \$(129,559) for the years ended December 31, 2017 and 2016, respectively, is reported as non-operating change in interest rate swap agreement in the consolidated statements of activities. This amount will be recomputed each year using the interest rates effective at the year end.

#### **Notes to Consolidated Financial Statements**

December 31, 2017 and 2016

## 6. INTEREST RATE SWAP AGREEMENT, continued:

The Church uses appropriate valuation techniques to determine fair value based on inputs available. When appropriate, the Church measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available. The Church's swap agreement liability is considered Level 2 under the fair value hierarchy and is based on observable inputs other than the quoted prices included in Level 1 and are based on yields for swap agreements of comparable maturity, quality, and types as obtained from market transactions. The calculation is determined by the Church's lender.

## 7. NOTES PAYABLE:

Notes payable consist of:

|   |    | 1,         |    |            |

Principal and interest payments are due monthly and fluctuate based on the relationship between the effective interest rate and the fixed interest rate. The monthly payment of principal and interest as of December 31, 2017 was \$57,473. During February 2018, the Church borrowed \$2,000,000 from a financial institution, mortgaged by property and equipment purchased by the Church. The loan matures in February 2028 at which point in time a balloon payment is due. A variable interest rate exists at 2.15% above LIBOR.
